DEEPAK SUDHEENDRA, MD, MHCI, RPVI, FSIR

RESEARCH

Primary Institutional Investigator

C-TRACT – NIH funded multicenter randomized controlled trial evaluating the use of endovascular therapy in patients with advanced post thrombotic syndrome (PTS).

Subinvestigator

Phase 3 Prospective, Randomized, Blinded, & Controlled Investigation of HepaSphere/QuadraSphere Microspheres for Delivery of Doxorubicin for the Treatment of Hepatocellular Carcinoma, sponsored by Merit Med, 2011 to present

Subinvestigator

A Prospective, Multi-Center Study of the Bard Denali Retrievable Inferior Vena Cava Filter System, sponsored by Bard, 2011 to present

Subinvestigator

A Phase III Clinical Trial **E**valuating TheraSphere in **P**atients with Metastatic Colorectal Carcinoma **o**f the Liver who have Failed First Line **Ch**emotherapy (EPOCH), sponsored by Biocompatibles UK Ltd, 2011 to present

Primary Investigator

University of Pittsburgh Med Ctr (UPMC) & Pittsburgh Vascular Institute: "Analysis of Patient Outcomes Following Carotid Artery Stenting Based on Embolic Protection Filter-Specific Examination" under Dr. Mark Wholey from 2008-2010.

Research Assistant

Washington Hospital Ctr: Studied the effects of the *CorCap* cardiac support device for dilated cardiomyopathy & heart failure under Dr. Mercedes K. Dullum from 2002-2004

Research Assistant

Case Western Reserve University: Examined the role of beta-one-integrin in human mesenchymal stem cells under Dr. Stephen Haynesworth from 1994-1997

Mann Research Scholar

Case Western Reserve University School of Medicine: Traveled to Uganda to study AIDS transmission & evaluate testing pool for AIDS vaccine. 1996

LECTURES BY INVITATION

International Presentations

1. Tips & tricks for successful & safe venous recanalization in the pediatric patient, Society of Pediatric Interventional Radiology, September 2022, Ireland

2. Evaluating the venous patient: Is it deep or superficial venous disease and what should I do next?, Canadian Association for Interventional Radiology, September 2021, Canada (virtual keynote)

3. The 3 W's of Successful Social Media, Canadian Association for Interventional Radiology, September 2021, Canada (virtual keynote)

4. Reconstructing the deep venous system for chronic DVT and PTS: managing the impossible!, Indian Society of Interventional Radiology, October 2018, New Delhi, India

5. Building an IO practice: differentiating yourself from technician vs clinician, Indian Society of Interventional Radiology, October 2018, New Delhi, India

6. Management of complex DVT & chronic venous insufficiency. San Giovanni Hospital, April 2013, Rome, Italy

7. Neeman Z, **Sudheendra D**, Coleman J, Fojo T, Wood BJ. Radiofrequency ablation for tumor & biopsy-related massive hematuria. Oral Presentation, World Congress on Interventional Oncology (WCIO), June 13, 2006, Cernobbio, Italy.

Regional & National Presentations

1. How to Realize the Value of OBLs to Payors in your Contracts. OEIS. May 2024, Las Vegas, NV

2. Outpatient Management of Chronic DVT. OEIS. May 2024, Las Vegas, NV

3. Reimbursement Policy Update: How ASCs Can Carve a Path to Fiscal Sustainability. Beckers ASC Review. October 2023, Chicago, IL

4. Healing Hands, Business Minds: Building your Entrepreneurial Future as an Employed Physician Today. Mount Sinai Hospital IR Grand Rounds. October 2023, New York, NY

5. DVT, CVI, and PVI: The Forgotten V's in Vascular Disease. Cooper University Hospital Radiology Grand Rounds. September 2023. Camden, NJ

6. Managing pregnant patients & children with extensive DVT. SIR 2023, Phoenix, AZ

7. Building & maintaining a clinical IR practice: Tips for the new IR attending. UCSF Radiology. May 2022. San Francisco, CA

8. What to do when a venous stent occludes. VIVA Conference. Oct 2021. Las Vegas, NV

9. Coils, sclerotherapy, or both? What is the evidence? VIVA Conference. Oct 2021. Las Vegas, NV

10. A case of Nutcracker syndrome that went terribly wrong. SIR Virtual Conf. March 2021

11. Optimizing iliac vein stent patency with an imperfect femoral vein. VIVA Conference. Nov 2020. Las Vegas, NV

12. Pelvic venous reflux intervention: what is the evidence? VIVA Conference. Nov 2020. Las Vegas, NV

13. Complex venous disease: what we didn't learn in medical school or residency. Grand Rounds Cardiology, Nov 2019, Newark Beth Israel Med Ctr, Newark, NJ

14. A multidisciplinary approach to the management of DVT & post thrombotic syndrome. Grand Rounds Division of Hematology/Oncology, July 2019, Penn State Cancer Institute, Hershey, PA

15. Live Case Moderator: NIVL and CTO cases, LINC Mount Sinai, June 2019, NY, NY

16. IVC Filters: What complications do you need to know about?, LINC Mount Sinai, June 2019, New York, NY

17. Contemporary strategies & therapy options for acute & chronic DVT, June 2019, Easton, PA

18. Chronic venous disease, Society of Interventional Radiology 2019, Austin, TX

19. IVC Agenesis in a teenager, Vascular Interventional Advances (VIVA) Conference, Nov 2018, Las Vegas, NV

20. Interventional management of ovarian vein reflux, Vascular Interventional Advances (VIVA) Conference, Nov 2018, Las Vegas, NV

21. Iliac vein stenting for chronic nonthrombotic iliac vein compression: Indications & Technique, Vascular Interventional Advances (VIVA) Conference, Nov 2018, Las Vegas, NV

22. Diagnosis & management of superficial venous disease, Cleveland Clinic Foundation (Angioclub of Greater Cleveland), September 2018, Cleveland, OH

23. Anticoagulation for venous interventions & DVT: Is there a difference?, Chicago Endovascular Conference, July 2018, Chicago, IL

24. Debate – IVC filters gotta go, Chicago Endovascular Conference, July 2018, Chicago, IL

25. Treating DVT during pregnancy: Guidelines, Chicago Endovascular Conference, July 2018, Chicago, IL

26. The center for comprehensive venous health: A new paradigm in the management of DVT, IVC filters, & CVI, University of Cincinnati Dept of Radiology, Oct 2017, Cincinnati, OH

27. Pharmacomechanical catheter-directed thrombolysis: Benefits & risks. VuMedi webinar, Aug 2017, Philadelphia, PA

28. A combined approach to treating venous insufficiency, Chicago Endovascular Conference, July 2017, Chicago, IL

29. Difficult filter retrieval: tips & tricks, Chicago Endovascular Conference, July 2017, Chicago, IL

30. Indications for IVC filter placement & the importance of an IVC filter clinic, 18th Annual New Cardiovascular Horizons, June 2017, New Orleans, LA

31. Complex IVC filter retrieval, 18th Annual New Cardiovascular Horizons, June 2017, New Orleans, LA

32. Optimizing care of the critically ill patient in IR. SIR 2017. Washington, DC

33. Best & Worst Cases. February 2017. Clinical & Contemporary IR 2017. Los Angeles, CA

34. Building an interventional venous practice. February 2017. Clinical & Contemporary IR 2017. Los Angeles, CA

35. Current concepts in the management of DVT/PE & the use of IVC filters. February 2017. Grand Rounds. Kaiser Permanente LA, Los Angeles, CA

36. Complex IVC filter retrieval. June 2016. New Cardiovascular Horizons Annual Mtg, New Orleans, LA

37. Non-invasive imaging in venous disease. June 2016. New Cardiovascular Horizons Vein Forum, New Orleans, LA

38. Critical Care for the Interventional Radiologist. Jan 2016. New England Society of Interventional Radiology. Boston, MA

39. Ruling out deep venous obstruction prior to superficial vein treatment. VuMedi webinar. Jan 2016, Philadelphia, PA

40. Endovascular Treatment of Chronic DVT & Post Thrombotic Syndrome. Oct 2015. International Society of Endovascular Specialists Annual Meeting, Philadelphia, PA

41. Superficial thrombophlebitis: a wolf in sheep's clothing. Oct 2015. International Society of Endovascular Specialists Annual Meeting, Philadelphia, PA

42. Managing the acute DVT patient. Aug 2015. AtlantiCare Regional Med Center. Atlantic City, NJ

43. How to approach the DVT patient: Anticoagulation, IVC filters, & thrombolysis. March 2015. Cooper University Hospital Grand Rounds. Camden, NJ

44. Lymphedema: Its relationship to venous disease & why it should be on our radar. March 2015. Society of Interventional Radiology 2015. Atlanta, GA

45. Navigating your job search & contract negotiation in the era of ACA. March 2015. SIR. Atlanta, GA

46. Perspective on the recommendations for treatment of pelvic derived lower extremity varicose veins. March 2015. Society of Interventional Radiology 2015. Atlanta, GA

47. Massive & submassive PE: Clinical outcomes & indications for various medical treatments. November 2014. Veith AIM Symposium, New York, NY

48. SEATTLE, ULTIMA & other PE trials: What does the literature tell us is best practice for massive & submassive PE. November 2014. Veith AIM Symposium. New York, NY

49. Current concepts in radioembolization & starting a Y-90 program. VuMedi webinar. Jan 2014, Philadelphia, PA

50. Current concepts in chemoembolization. VuMedi webinar. Dec 2013. Philadelphia, PA

51. Evaluation, management, & treatment of DVT & chronic venous insufficiency. November 2013. University of Kentucky Med Ctr, Lexington, KY

52. The ABC's of ablation. World Conf on Interventional Oncology. May 2013. New York, NY

53. DVT management & chronic venous insufficiency. What is the role of IR? Grand Rounds. December 2012. Community Med Ctr, Toms River, NJ

54. Management of AAA & concurrent peripheral vascular disease. Oral Presentation, Washington Chapter of the American College of Surgeons Spring Mtg, 2004. Georgetown U. Med Ctr, Washington, DC

55. Experience with patient selection, implantation, & MRI follow-up of the CorCap cardiac support device. Oral Presentation, New Era in Cardiac Care Mtg, March 2003. Dana Point, CA

56. New techniques in the surgical management of heart failure. Oral Presentation, 21st Annual American Association of Physicians of Indian Origin (AAPI) National Convention, 2003. Orlando, FL

57. Postoperative morbidity following aortic dissection repair. Oral Presentation, 15th Annual Belsky Research Day, 2000. Danbury, CT

58. End organ damage after aortic dissection repair. Oral Presentation, 17th Annual AAPI National Convention, June 1999. Anaheim, CA

Local Presentations

1. The unknown epidemic in modern medicine: treating the DVT & chronic venous disease patient. HUP Advanced Practice Providers Grand Rounds. December 2020. Philadelphia, PA

2. The 5 vascular causes of chronic pelvic pain: what every ob-gyn needs to know. Grand Rounds Dept of Ob-Gyn. October 2019. Hospital of UPenn, Philadelphia, PA

3. Vascular causes of pelvic pain. Grand Rounds Dept of Ob-Gyn. October 2019. Pennsylvania Hospital, Philadelphia, PA

4. DVT & venous disease management: imaging findings, diagnosis and treatment. April 2017. Philadelphia Roentgen Ray Society, Philadelphia, PA

5. Updates in DVT management & the use of IVC filters. Grand Rounds Dept of Neurosurgery. November 2015. Hospital of UPenn, Philadelphia, PA

6. Veins & lymphatics: How can they work better together? Advances in Vascularized Lymph Node Transfer Clinical Symposium. October 2014. Philadelphia, PA

7. Interventional Oncology: Tumor-directed treatments without incisions. If Cancer Spreads, Where Do You Turn? October 2014. Philadelphia, PA

8. How to approach the DVT patient: Anticoagulation, IVC filters, & thrombolysis. Grand Rounds Dept of Medicine. October 2014. Hospital of UPenn, Philadelphia, PA

9. Liver directed therapy & imaging correlates. Oncologic Imaging From Head to Toe. October 2013. Philadelphia, PA

10. The role of IR in DVT & chronic venous insufficiency. Grand Rounds. October 2013. Mercy Fitzgerald Hospital, Philadelphia, PA

11. DVT thrombolysis in the oncology patient: When should we be aggressive? September 2013. Abramson Cancer Ctr, Philadelphia, PA

12. Management of DVT in the neurosurgical patient. Grand Rounds Dept of Neurosurgery. February 2013. Hospital of UPenn, Philadelphia, PA

13. The role of IR in DVT management. Grand Rounds. January 2013. Delaware County Memorial Hospital, Philadelphia, PA

14. Management of venous insufficiency & varicose veins. January 2013. Delaware County Memorial Hospital, Philadelphia, PA

15. The role of IR in DVT & chronic venous insufficiency. Surgery Grand Rounds. December 2012. Mercy Fitzgerald Hospital, Philadelphia, PA

16. The role of interventional radiology in DVT management & chronic venous insufficiency. Grand Rounds. May 2012. Roxborough Hospital, Philadelphia, PA

17. The role of interventional radiology in DVT management. Grand Rounds Dept of Emergency Med. March 2012. Hospital of UPenn, Philadelphia, PA

18. The role of Interventional Radiology in DVT management. Grand Rounds Dept of Internal Med. January 2012. Hospital of UPenn, Philadelphia, PA

19. Interventional Oncology – Advanced technology for cancer treatment. 2011 Focus on Neuroendocrine Tumors. Philadelphia, PA

ORGANIZING ROLES IN SCIENTIFIC MEETINGS

1. Acute Deep Vein Thrombosis (Moderator), Society of Interventional Radiology 2023, Phoenix, AZ

2. "Managing the ICU patient in IR: What does the IR need to know?", SAM session (Moderator & Speaker), Society of Interventional Radiology 2022, Boston, MA

3. "Managing the critically ill patient in the IR suite", SAM session (Moderator & Speaker), Society of Interventional Radiology 2019, Austin, TX

4. Chairman of 2017 New Cardiovascular Horizons Regional Mtg "Clinical updates on vascular disease & thromboembolism for primary care providers & specialists", November 2017, Philadelphia, PA

5. "Critical care management of the ICU patient in the angio suite", SAM session (Moderator & Speaker), Society of Interventional Radiology 2017, Washington, DC

6. Liver Cancer Workshop (Chair), Penn Focus on GI Cancers, 2016, Philadelphia, PA

7. Philadelphia Cardiovascular Symposium (Course Director), International Society of Endovascular Specialists Annual Meeting 2015, Philadelphia, PA

8. Chronic venous occlusions – Techniques through case examples (Moderator), Society of Interventional Radiology 2015, Atlanta, GA

9. "What every IR should know about critical care" workshop (Moderator & Speaker), Society of Interventional Radiology 2015, Atlanta, GA
10. Chronic venous occlusion workshop (Moderator & Speaker), Society of Interventional Radiology 2014, San Diego, CA
